April 4, 2022**

**Board members present:** Jeanette Kopell, Chace Gholson, Mike Binyon, Sarah Stock

**Board members absent:** Tim Graham

**Others present:** Michele Rehbein

Meeting began 5:31 p.m.

- No citizen comments.
- Mike Binyon moved to approve the March 2022 board meeting minutes. Chace Gholson seconded. All voted in favor.
- Michele gave a few updates on the COVID-19 policy. She reached out to Christina Sloan from the County; she couldn't give much council on the MMAD policy since the County opted out of requiring vaccinations, etc. There was some discussion on the City and County loosening COVID-19 protocols, i.e., only recommended to wear masks inside. The MMAD will continue to encourage staff to wear masks inside.
- Mike asked when Michael would be coming back. Michele said she spoke with him about that earlier and said she is ok with him still working remotely for now and she will check back in with him about that issue in a few weeks again.
- Jeanette moved to approve the March manager's report and bills. Mike seconded. All voted in favor.
- Mike moved to adjourn.

Meeting adjourned at 5:47 p.m.
